Step into special moments with your 2, 3, & 4 year old child. Little Steps Together classes offer the opportunity for an adult and child to partner with a qualified educator in nurturing and training the child's social, emotional, and spiritual growth. The classes encourage the development of positive values, self concept, social skills, and attitude toward learning in a loving, safe, small group environment.

Sessions for 2, 3, & 4 year olds with an adult are offered in the fall, winter, and spring. Each Little Steps Together class is prepared and led by a qualified educator who builds theme-based learning experiences. Each session will include circle time, singing playing, doing a craft project, and sharing a snack. Class sizes are restricted to 8 children. Children must be accompanied by an adult.
